

## E APPROVALS CHECKLIST (REVISED)

Approval type	Approval body	Relevant legislation/local law	Trigger/relevant aspect of project
<b>COMMONWEALTH GOVERNMENT</b>			
EPBC referral	Department of the Environment, Water, Heritage and the Arts (DEWHA)	<i>Environment Protection and Biodiversity Conservation Act 1999</i>	Referral as either a 'Controlled' or 'Not a Controlled' action
<b>STATE GOVERNMENT</b>			
Declaration of significant project	Coordinator-General (CG)	<i>State Development and Public Works Organisation Act 1971 (SDPWOA)</i>	Submission of Initial Advice Statement – decision for requirement of an environmental impact statement (EIS) and if bilateral agreement for state/federal EIS process is required
Proponent as a local body	CG	SDPWOA	LinkWater defined as a 'local body' under the SDPWOA
Prescribed project (critical infrastructure)	CG	SDPWOA	Declaration of project as 'prescribed project' and 'critical infrastructure project' by state government (works regulation)
Cultural heritage management plan	Department of Natural Resources and Water (NRW)	<i>Aboriginal Cultural Heritage Act 2003</i>	Aspects of the project traversing areas identified as having Aboriginal and cultural heritage significance (requirement of EIS)
Native title	National Native Title Tribunal (NNTT) (QLD)	<i>Commonwealth Native Title Act 1993</i> <i>Native Title (Queensland) Act 1993</i>	Projects works affecting areas attached to native title
Works within SEQ Regional Plan 2005–2026	Department of Infrastructure and Planning (DIP)	<i>Integrated Planning Act 1997 (IPA)</i>	Works associated with all aspects of the project falling within the SEQ Regional Plan footprint
State and regional coastal management plans	DIP	IPA	Aspects of the project traversing land located within a 'coastal zone' as defined by the <i>Coastal Protection and Management Act 1995</i>
Vegetation clearing permit	NRW	<i>Vegetation Management Act 1999</i>	Clearing mapped vegetation and essential habitat along ROW and associated facility areas
Vegetation offsets	NRW CG	<i>Vegetation Management Act 1999—Policy for Vegetation Management Offsets, 28 September 2007</i>	Offsetting vegetation as a result of clearing RE types E, OC, EH throughout the project
Environmentally relevant activities (ERAs)	Environmental Protection Agency (EPA)	<i>Environmental Protection Act 1994</i>	ERA No. 8 — Chemical Storage: required for water quality management and boosting facilities

<b>Approval type</b>	<b>Approval body</b>	<b>Relevant legislation/local law</b>	<b>Trigger/relevant aspect of project</b>
Building works (standard building regulation)	Certifier	<i>Building Act 1975</i>	Construction of all 'structures' associated with project works
Large dangerous goods location	Department of Emergency Services (DES)	<i>Dangerous Goods Safety Management Act 2001</i>	Storing dangerous goods as defined under the Act at various facilities associated with the project
Taking/interfering with water	NRW	<i>Water Act 2000</i>	Damming any watercourses to the high bank level at each side during construction of watercourse crossings Temporary water extraction ancillary to project works
Riverine protection permit	NRW	<i>Water Act 2000</i>	Clearing within watercourse/riparian vegetation and/or excavation and filling within watercourse
Waterway barrier works	Department of Primary Industries & Fisheries (DPI&F)	<i>Integrated Planning Act 1997</i>	Disrupting/limiting fish movements
Contaminated land	EPA	<i>Environmental Protection Act 1994</i>	ROW traversing land identifying contaminated land within EPA Contaminated Land Register
Unexploded ordnances (UXO)	EPA	<i>Environmental Protection Act 1994</i>	ROW traversing land identifying UXOs within EPA Contaminated Land Register
Ancillary works and encroachments permit	Department of Main Roads (DMR)	<i>Transport Infrastructure Act 1994</i>	Works within state-controlled roads
Rail crossings – wayleave approval	Queensland Rail (QR)	<i>Transport Infrastructure Act 1994</i>	Construction works within rail corridors
Deed of indemnity	QR	<i>Transport Infrastructure Act 1994</i>	Investigation works within rail corridors
Heritage place	EPA	<i>Queensland Heritage Act 1992</i>	Aspects of the project traversing land identified as of heritage or cultural significance.
Removal of quarry material from a watercourse	NRW	<i>Water Act 2000</i>	Removal of quarry material from a watercourse as a result of construction works
Prescribed tidal works	Local government authority (LGA)	<i>Coastal Protection and Management Act 1995</i> <i>Integrated Planning Act 1997</i>	Aspects of the project occurring on or above land under tidal waters
Development permit (operational works)	LGA	<i>Integrated Planning Act 1997</i>	Operational works required for directing pipeline discharge flow paths Operation works (filling and excavation) required for disposal of spoil off corridor triggered under LGA planning scheme/s

Approval type	Approval body	Relevant legislation/local law	Trigger/relevant aspect of project
<b>LOCAL GOVERNMENT</b>			
Road opening permit	LGA	<i>Local law</i>	Traffic management/interference with local government roads
General permit	QLD Police	<i>Transport Operations (Road Use Management) Act 1995</i>	Traffic management required for access and construction on a state-controlled road
Blasting permit	LGA	<i>Local law</i>	Blasting required for construction
Vegetation clearing permit	LGA	<i>Local law</i>	Clearing of locally significant protected vegetation as identified by LGA
Other	LGA	<i>Local law</i>	Project works that require local law approval to be determined on a case by case basis
Plumbing and drainage approval/compliance	LGA	<i>Plumbing and Drainage Act 2002</i>	Connection to LGA reticulated water supply and drainage systems
Flammable and combustible liquids storage license	LGA	<i>Dangerous Goods Safety Management Act 2001</i>	Storing flammable and combustible liquids at site office and other facilities
<b>LAND/RESOURCE REQUIREMENTS FROM THE STATE GOVERNMENT</b>			
Resource entitlement	NRW	<i>Integrated Planning Act 1997 (IPA)</i>	Occupation of state land (unallocated state land, road reserves)
Resource entitlement	EPA	IPA	Occupation of EPA-controlled state land
Resource entitlement	Queensland Transport (QT)	IPA	Occupation of rail corridors
Resource entitlement	DMR	IPA	Occupation of state-controlled roads
Permit to occupy	NRW/LGA	<i>Land Act 1994</i>	Short term occupation and construction within road reserves (excl. state-controlled roads)
Occupation permit	DPI&F	<i>Forestry Act 1959</i>	Occupation and project works on forestry lands
Authority permit	EPA	<i>Nature Conservation Act 1992</i>	Occupation and project works on EPA lands
<b>OTHER APPROVALS</b>			
Private certification of buildings and structures	Private certifier	<i>Queensland Building Act 1975</i>	Buildings and structures of the project that are assessable building works

Approval type	Approval body	Relevant legislation/local law	Trigger/relevant aspect of project
<b>OTHER AGREEMENTS AND ASSESSMENTS FROM PUBLIC UTILITY PROVIDERS AND THE STATE GOVERNMENT</b>			
Co-use easement agreements	Energex Powerlink APT LGA	<i>Electricity Act 1994</i> <i>Petroleum and Gas (Production and Safety) Act 2004</i> <i>Local Government Act 1993</i>	All project works within existing utility/service provider easements
SPP 1/92 Development and conservation of agricultural land	DIP	<i>Integrated Planning Act 1997 (IPA)</i>	Aspects of the project traversing 'good quality agricultural land'
SPP 1/02 Development in the vicinity of certain airports and aviation facilities	DIP	IPA	Aspects of the project traversing areas within the 'vicinity of aviation facilities'
SPP 2/02 Planning and managing development involving acid sulfate soils	DIP	IPA	Aspects of the project traversing land at or below 5 m AHD where natural ground level is below 20 m AHD
PP 1/03 Mitigating the adverse impacts of flood, bushfire and landslide	DIP	IPA	Aspects of the project traversing land identified as 'natural hazard management area'
SPP 2/07 Protection of extractive resources (KRAs)	DIP	IPA	Aspects of the project traversing land identified as 'key resource area' (KRA)
